

One of our advisory board members Dr. Tehemton Udhwadia expired on 7<sup>th</sup> January 2023 (15 July 1934 – 7 January 2023). It was great honour to have him as the advisory board member for the Bharati Vidyapeeth Medical Journal. He was renowned Indian surgeon and gastroenterologist, known as the father of laparoscopic surgery. He was the receiver of the awards the Padma Shri, in 2006 and the Padma Bhushan in 2017 for his contributions to Indian medicine. We had a great loss for surgery fraternity. His work will be remembered and learned years ahead. God should give peace to the departed soul.
